ENGINEERING**

ASME U-stamp, R-Stamp & ISO-9001 Certified

**QUALITY CRAFTSMANSHIP
FOR YOUR PROJECT NEEDS**

MANUFACTURING & SERVICES :

- Chemical Plant Project Handling
- Oil & Gas Refinery equipments
- Petrochemicals Equipments
- Fertilizer Equipments
- API / Intermediate Equipment
- Exotic Metal Fabrication
- Distillation Plant Equipment
- Turnkey project

He is involved in the audit of major projects while also leading the development and execution of applicator strategy, recruitment training, and business development to strengthen the business.

OUR MISSION

- Become the leading global provider of process equipment solutions.
- Pioneer in engineering solutions Shaping the future.
- Embracing sustainable practices Fostering global collaboration.
- Leading the way in technological advancements.
- Inspiring excellence and creativity in the industry.

OUR VISION

- Design, manufacture and deliver high-quality process equipment.
- Tailored solutions to meet the diverse needs of clients across industries.
- Utilize advanced technology to enhance product performance and efficiency.
- Cultivate a culture of continuous improvement and learning.
- Prioritize customer satisfaction and build lasting partnerships.

CUSTOMER **SATISFACTION**

QUALITY **SERVICE**

ON TIME **DELIVERY**

Noteworthy factors to choose us

24/7
SERVICE SUPPORT

- Wide and timely distribution network
- Economically Priced Services
- Talented workforce
- Ethical business practices
- TUV certified welder
- TUV certified welding process
- NDT level 2 & level 3 engineers

WE EXPERTISE IN

Oil & Gas Refinery | Petrochemical Equipments | Fertilizer Equipments
 API/ Intermediate Equipments | Agro Chemical Equipments | Chemical Equipments

Also we provide the below facilities of “Dossier”, “IQ”, “OQ”, “PQ”, “DQ”, “TC”
